SPECIAL NOTICE TO SUPPORTERS

To assist the club it is anticipated that Rovers Supporters will NOT at any time invade the pitch. Serious penalties may be imposed on the club if this request is not observed.

A WORD FROM BILLY BREMNER

First of all I would like to start by thanking you all for the support you gave the team against Northampton. We needed the fans to give us a lift after the Bournemouth game and you did it, keep it up.

We played quite well against Northampton. There is still a lot to be ironed out, but we won and got two important points which is what it is all about. The pleasing thing again was that we did not give any goals away, and apart from the Bournemouth game we have looked quite tight at the back since the start of the New Year. As you all know we then went to Crewe and won by four goals to two, which was a good performance. To score four away from home in any game is very good, we had our bad moment in the game when we had our bit of luck, but you need luck if you are going to do anything in the game.

I am writing these notes before the Stockport game; needless to say I am hoping the present form will continue and that we will be able to get a result. We still need the points because a few bad results can put any number of teams into trouble at the bottom of the League. So keep up the good support and we will try to keep giving you the right results. Talking about support, it was pleasing to see you Rovers supporters at Crewe. You did a great job shouting on the lads, and we hope to see even more of you at the next away match.

Billy Bremner

MORE SNOW ■■■ By Mike Sinclair (Doncaster Evening Post)

Snow, snow and more snow ... People who read the sports pages - and the people who produce them - are heartily sick of the stuff.

Hardly a day has gone by this year without stories of matches off, pitches frozen, bids to beat the weather of managers complaining (usually the ones who lost) that referees made them play when the pitches were 'nt fit.

Sports journalists and fans alike have been itching for a break in the Arctic weather and a chance to change the topic. But the big freeze has dominated football and even clubs like Leeds United with their under-soil heating have had to call matches off. For it isn't just a case of getting the snow off the pitch. Teams do have to actually get to matches and the supporters must be considered too. It's no fun travelling up and down Motorways in the kind of conditions we have encountered recently. Rovers got a taste of how uncomfortable it can be when they encountered the beginning of the latest blizzard on the way back from the fine 4-2 away victory over Crewe Alexandra. Some cars had crashed and others were being abandoned on the exposed M62 which, only hours later, was blocked.

The pitch at Crewe had been in good condition and there was no warning of the conditions to come but the problems of travelling do have to be thought about. Nobody seemed to think about the Leeds Utd fans who trekked to W.B.A. for their FA Cup clash. A local ref passed the pitch fit and thousands of fans set off, but when the match ref arrived on the afternoon of the game he declared the pitch unplayable. Surely, if there is any doubt, a decision should be made early enough to put the interests of the fans first.

OUR VISITORS WIGAN ATH.

This afternoon we extend a warm welcome to Wigan who are proving worthy additions to the Football League after being elected to take the place of Southport last summer. They are on the fringe of the promotion race, occupying sixth place in the table, just three points behind fourth-placed Portsmouth. Some of the critics said that Wigan, between the soccer hot-beds of Manchester and Liverpool, would never draw the crowds to survive but they have done well on that score too, with attendances averaging around the 7,000 mark.

JOHN BROWN Ex- Preston and Stockport goalkeeper, now in his third season with Wigan.

KEVIN SMART Signed by Wigan in the close season on a free transfer from Plymouth Argyle. Made 9 Second Division appearances and 33 Third Division appearances with the West Country side.

JOE HINNIGAN 21 years old, signed for a four figure fee from South Liverpool. Liverpool born, he is now in his fourth season with Wigan.

JEFF WRIGHT Born in Alston, he was signed from Netherfield four seasons ago. He is an excellent play-maker and also gets a fair quota of goals.

NOEL WARD Aged 24, he was signed from Aberdeen two seasons ago. Born in Straban, Northern Ireland, he played for Portadown before his transfer to Aberdeen.

IAN GILLIBRAND Aged 29, he is the club skipper. Has been with Athletic for ten seasons and now has well over 600 appearances under his belt. Signed originally from Arsenal.

FRANK CORRIGAN A fine ball player signed from Northwich Victoria last season. Has become a warm favourite with the crowd at Springfield Park.

TOMMY GORE Last years Player of the Year, he is now in his fifth season with Wigan having been signed from Tranmere Rovers. Possesses an extremely powerful shot.

PETER HOUGHTON Aged 23, he was signed last season from South Liverpool in the Premier League. A very powerful centre forward, he scored 10 goals in 17 games last term.

JOHN WILKIE Wigan's leading goalscorer for the last two seasons. Very quick, he was signed for a four figure fee from Elgin City in the Highland League.

IAN PURDIE A Scottish Under 23 International signed in the close season from Motherwell. Previously with Aberdeen and Dundee.

ALAN CROMPTON 20 years of age. An ex-Blackburn and Sunderland inside forward. Signed in the close season.
